## Language Arts Develop Skills In Communication

**"Parlez-vous francais — or English?"** To instill in students good habits in speaking, reading, listening, and writing is the purpose of the language arts courses, which at CHS include five years of English, two of French, and special classes in reading skills. In English classes time is divided among grammar, literature, and composition. Various devices for learning, appreciation, and enjoyment include diagramming, enactment of scenes from literature, discussions, tape recordings, records, overhead transparencies, and films. French classes this year acquired earphones, enabling several students to listen to tapes at one time. Classes in reading skills are offered to eighth graders to improve their reading speed and comprehension.

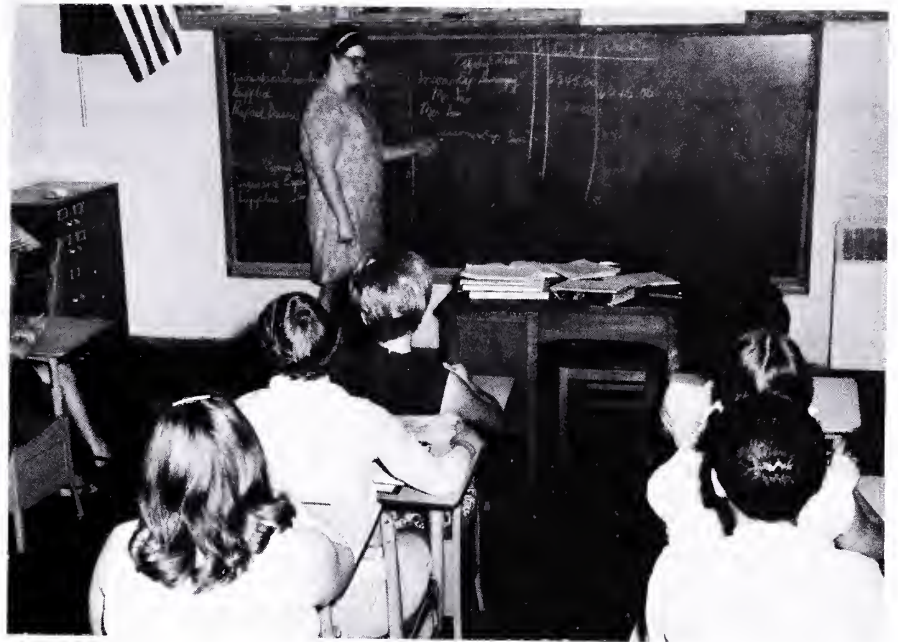

# Students Prepare For The Business World

"A-s-d-f-j-l-; a-s-d-f-j-k-l-; a-s-d-f-j-k-l-; . . ." This monotonous drill is a necessary part of Typing I classes offered by the business department, which attempts to develop the knowledge, understanding, and skills needed by students who plan to enter the business field, or by those students who will take typing for their own personal use. Other business classes include Typing II, Shorthand I and II, General Business, Bookkeeping, and a two-hour course in Office Procedures. In the latter class students use various office equipment such as electric typewriters, calculators, and dictaphones and train to become efficient workers in the business world. In all these business courses the necessity for neatness and accuracy is stressed. Students are given the opportunity to develop initiative and the ability to follow instructions.

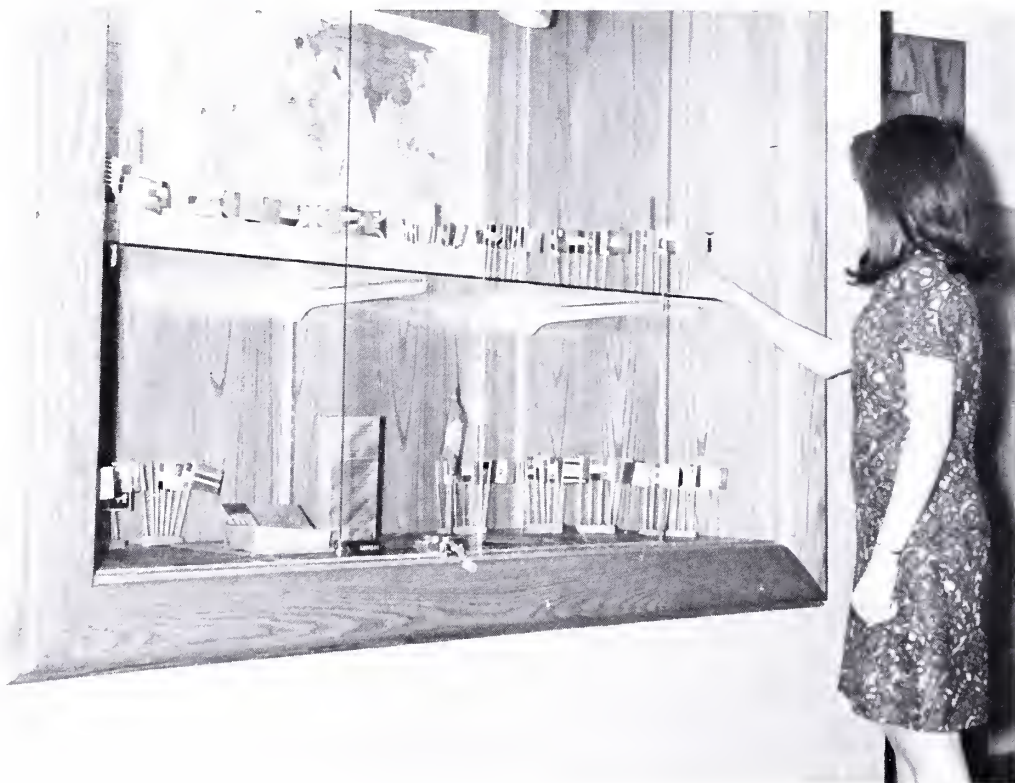

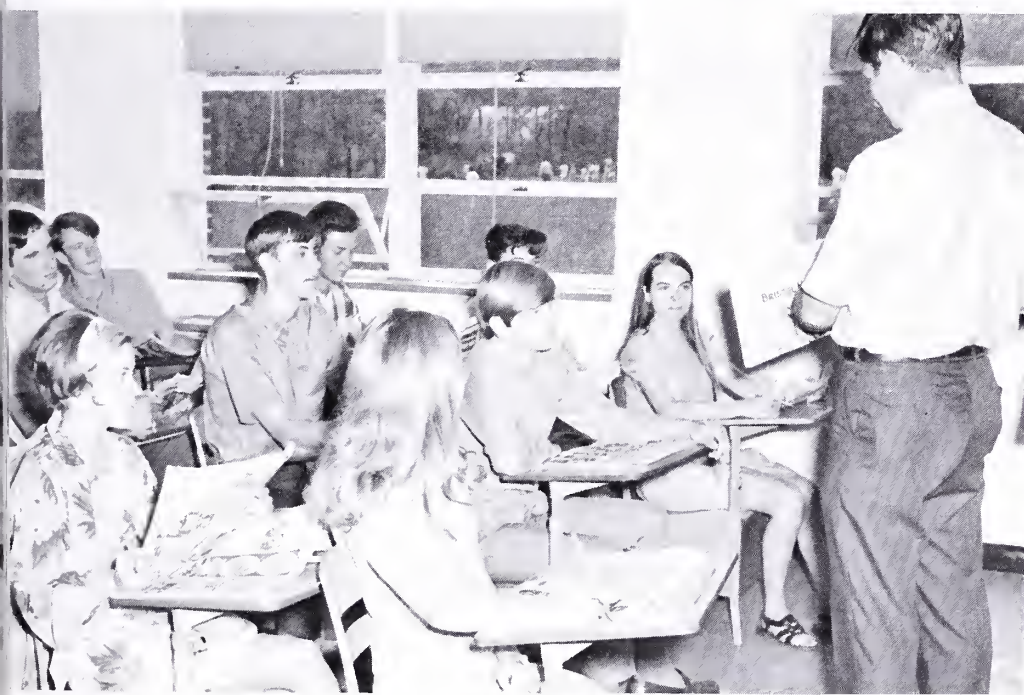

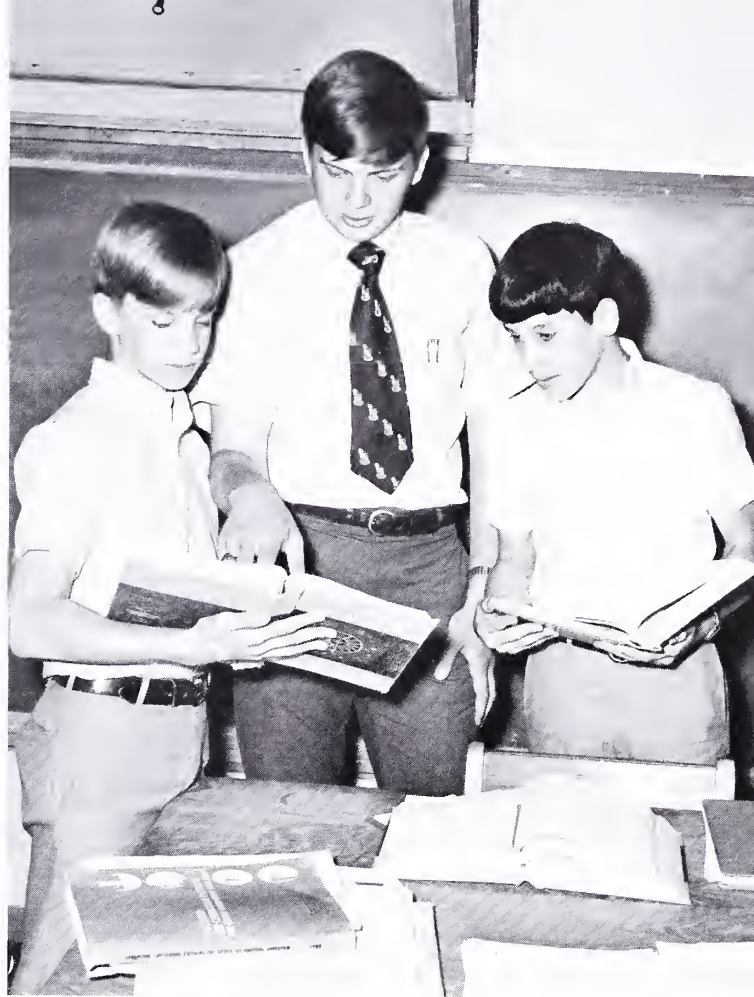

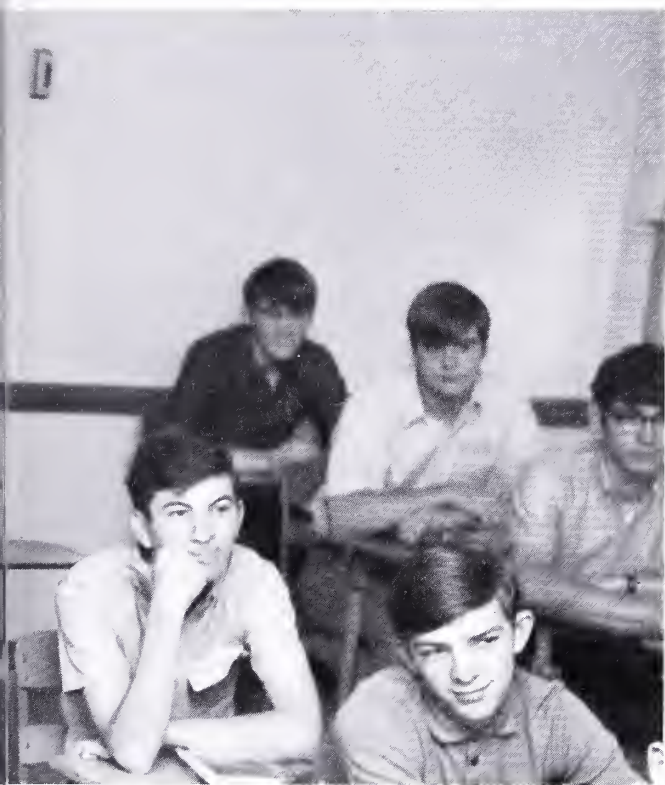

# Social Studies Classes

## Emphasize Citizenship

"I believe in the United States of America as a nation of the people, by the people, for the people . . ." Classes in the social studies help students to develop democratic principles. Students in classes in American history in the eighth grade, world history and U.S. and Virginia history in the eleventh grade learn through class discussions, films, charts, skits, and other varied ways. Maps and globes, as well as charts, are necessary devices in global geography classes. Basic knowledge gained in these classes provide a good background for U.S. and Virginia government, offered in the senior year. Students also study the organization of the United Nations. Producing loyal, well-informed citizens is the chief goal of the government classes, which are appropriately highlighted by the senior trip to the nation's capital.

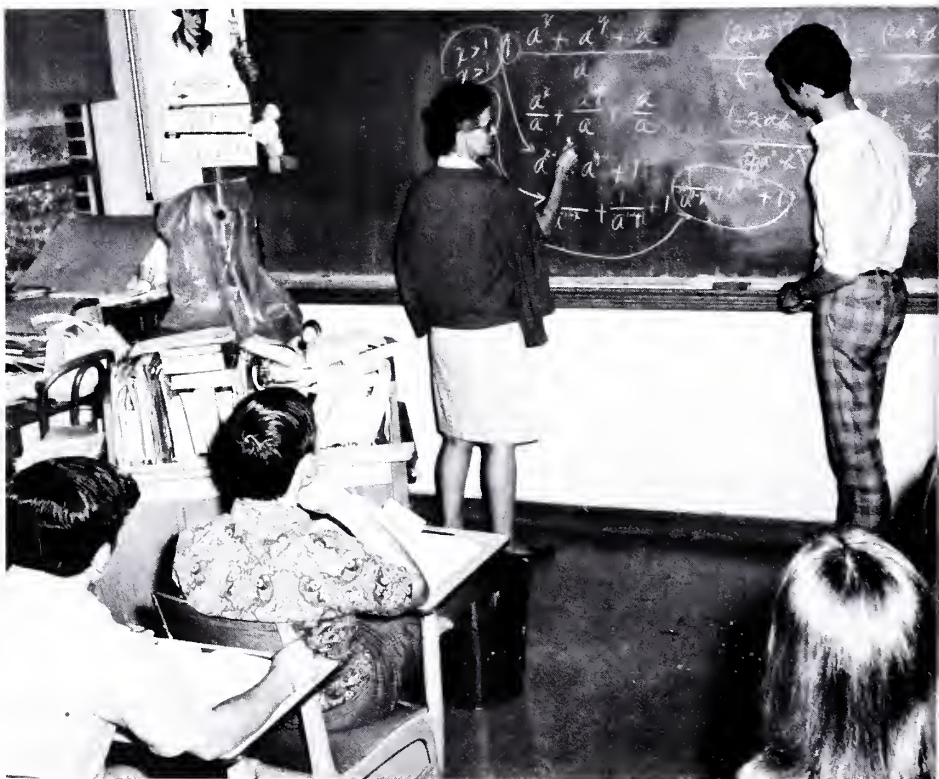

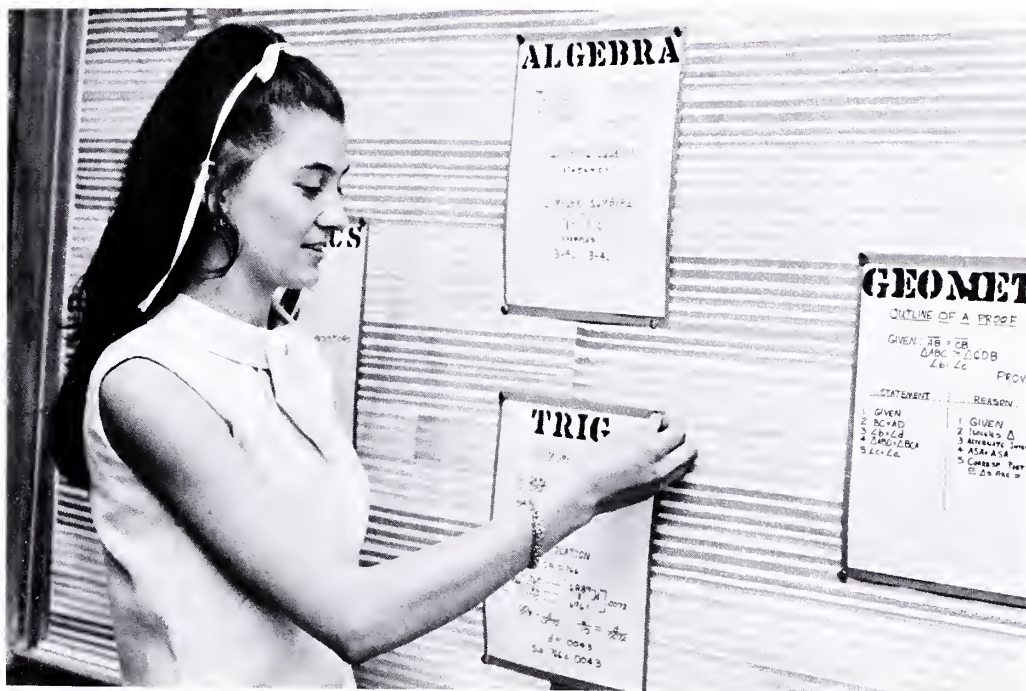

# Math Classes Meet Needs Of All Students

One does not need to be a millionaire or an important business executive to need mathematics. With this fact in mind, the math courses at CHS are aimed at meeting the needs of all students whether they be enrolled in academic or non-academic courses of study. These include general mathematics in the eighth and ninth grades, two years of algebra, plane and solid geometry, and trigonometry. Although drill work is important, other devices to aid learning in these classes include among other things, models, overhead transparencies, compasses, transits, and tables.

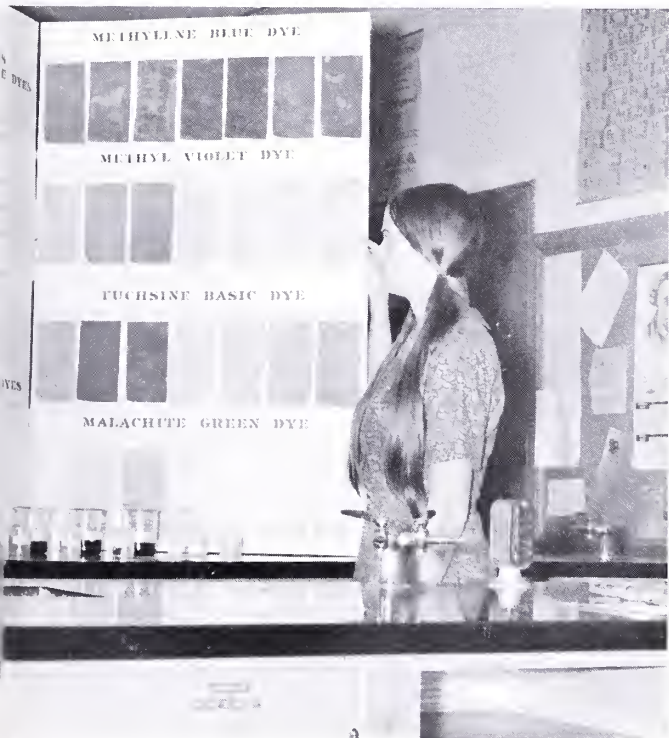

# Sciences Help Students Probe The Universe

Just follow your nose, and you will find the chemistry lab, where students probe the composition of the world around them. Or visit a biology class, where the students learn about plant and animal organisms, or a physics or general science class, where scientific principles are applied to everyday living. Through all of these activities students get a better un-

derstanding of man and his environment and are better prepared to cope with the myriad problems facing modern man. This year, as in the past, students enrolled in science classes worked hard preparing projects for the school Science Fair. In addition to this participation, three chemistry students entered projects in the Western Virginia Science Fair.

# Music Enhances Life At CHS

"One, two, three; one, two, three; do, re, mi, do, re, mi—" Those are sounds coming from the music department. Besides discovering and developing the talents of students enrolled in these classes, the band and chorus provide enjoyment for not only those persons participating but also for the whole student body and community as well. Just as life would be drab without the joys of music, so would life at CHS be incomplete without the enrichment of the music department.

During the year the band received a Division I rating (Superior) at the Southeastern Band Festival in Bristol, a Division I rating (Superior) playing Grade IV music in the District Concert Festival, and First Place in the Dogwood Festival Parade Competition at Vinton.

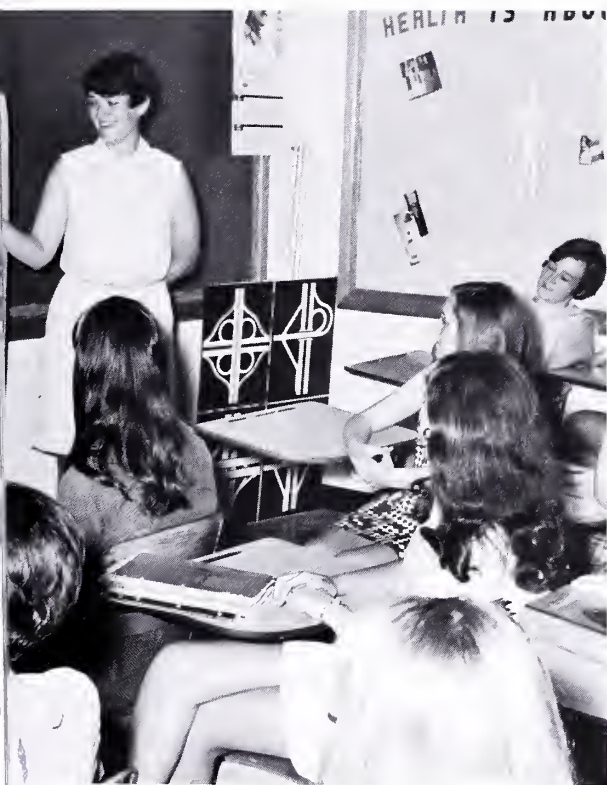

# Physical Education Builds Strong Bodies

The screams of excitement coming from the gym are indicative of the two-fold purpose of the physical education department: to provide the opportunity for the normal physical growth and development of all pupils and to provide wholesome recreation. These objectives are carried out on alternate days in health and gym classes, required of all students for three years. In addition to these classes, students may elect to enroll in the driver education program in which the participants are given classroom instruction in sound driving practices and actual behind-the-wheel experience.

# Vocational Arts Offer Practical Courses

“Girls in agriculture???” No longer is home economics the only vocational course at CHS offered to girls. Girls may now enroll in Agriculture Education, designed to provide meaningful educational experiences and to develop the students knowledge, skills, and abilities in related fields of agriculture. Other courses in the agriculture department which are still offered primarily to boys include those in agriculture science, general mechanics, machinery, and exploratory agriculture. Classes in the five-year home economics program help girls not only to acquire those skills which contribute to home and family living, but also to develop proper habits of personal and social behavior.

## “Y” Clubs Provide Services

The main goals of the “Y” clubs this year were to help underprivileged children of the area and to learn more about the functions of state government.

In trying to achieve these goals, the Co-Ed Hi-Y sent toys to needy children at Christmas, the Tri-Hi-Y collected money for Easter Seals, and the Hi-Y sponsored a candy sale.

Each club was represented in a state conference. The Tri-Hi-Y and Hi-Y sent delegates to the Model General Assembly in Richmond, and the Co-Ed Hi-Y sent representatives to their General Assembly in Harrisonburg. These three clubs also served as host to the District YMCA meeting.

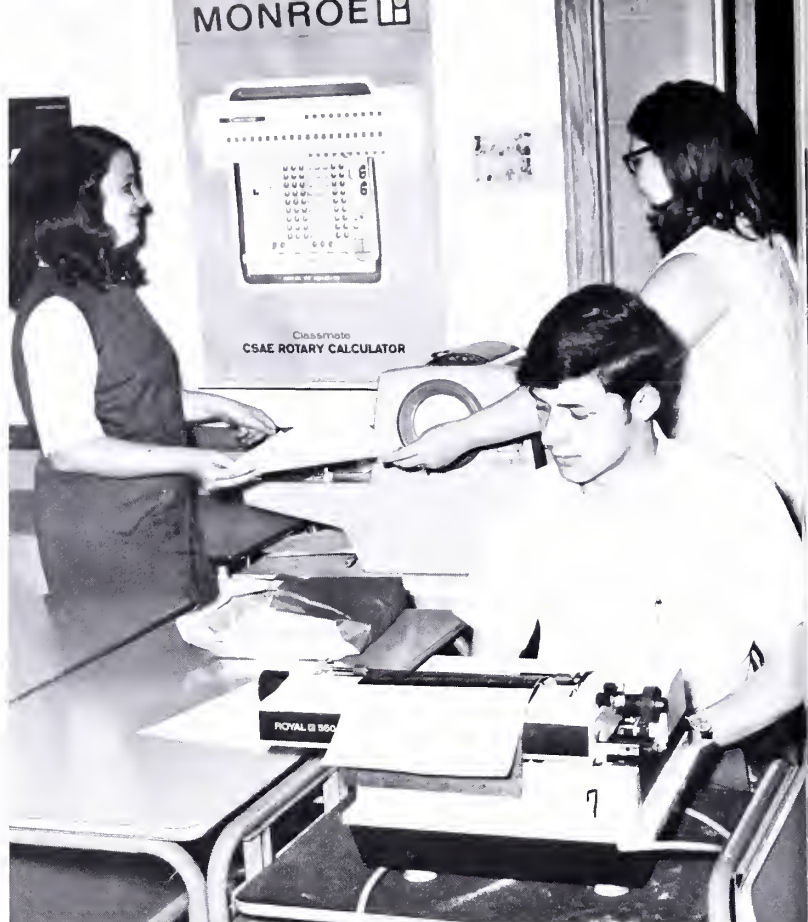

A great deal of work and consideration went into the school publications this year.

The school newspaper, the *Chilazette*, published all club news, recorded interviews with school personalities, and gave vital sports statistics. An added feature was a section of elementary school news.

The publishing of the *Chilvalee* was the job of the annual staff. Members sold ads and subscriptions and worked hard writing copy, drawing layout, taking necessary pictures, and getting everything ready for publication, even down to the final punctuation mark.

# Publications Record The School Year

# Student Cooperative Association And National

The SCA began the school year with the thought of providing new handbooks for next years' students and of improving and beautifying the school.

A major handbook fund-raising project was Carnival Day. At this event all clubs and classes had fun booths with the profits being divided between the SCA and the various organizations. The SCA diving booth proved to be one of the most hilarious events and attracted students as well as the faculty. To culminate its projects . . .

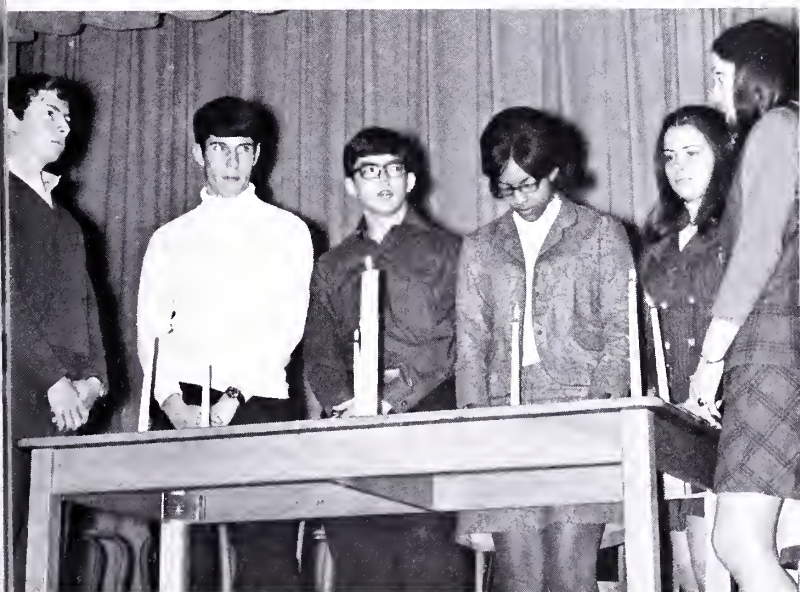

# Honor Society Both Provide Able Leadership

... the SCA helped in getting a jukebox for the cafeteria, sponsored clean-up day, and held campaigns and elections for next years' SCA officers.

Providing a new trophy case was the main objective of the National Honor Society this year. In order to obtain this objective members worked hard to prepare for "The Battle of the Bands," which proved to be a great success.

Ten sophomore students, chosen on the qualities of character, leadership, service and scholarship, were inducted into the club during a school assembly and new officers were installed. The club also was in charge of coordinating American Education Week, during which time it sponsored Kiddie Kollege in assembly.

Various activities kept members of the vocational clubs busy during the year. A major project of the FFA was the landscaping of the new agriculture building. At a Student-Parent banquet members received awards for outstanding service in vocational agriculture. The club was also represented in a statewide public speaking contest.

"To dare to care" was the motto for the FHA during the year. The main objective was to teach young ladies responsibilities of family and community...

# Vocational Clubs Have Active Year

... living. To show that they cared and to contribute community service, the FHA members did volunteer work in caring for patients at Valley Nursing Home. In November they observed National Education Week. A Mother-Daughter banquet concluded the year's events, at which time new officers were installed.

Through the FBLA, members learned more about the business world. They gained experience in salesmanship and added to their treasury by selling stationery. Their balloon-bursting booth on Canival Day provided fun for themselves as well as for all others who participated.

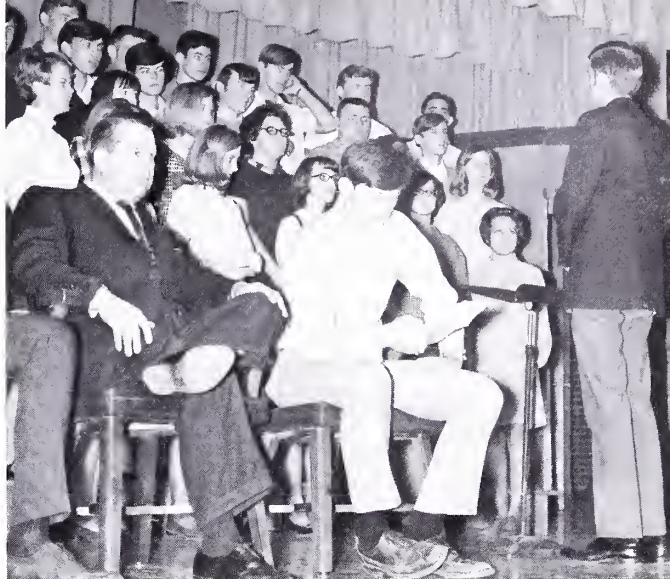

# CHS Students Participate In The Arts

The Band, the Chorus, and the Forensic Club provided many enjoyable moments during the year. The Band livened up pep rallies, entertained at football half-time activities, marched in parades and had several stage performances, including the graduation exercises.

The Chorus, in addition to providing special music in assemblies, also sang at...

... the baccalaureate services.

The Forensics Club in addition to interesting monthly meetings presented a one-act play, "Red Carnations," entered contestants in the county forensic meet and sent delegates to a forensic clinic at Wise, Virginia.

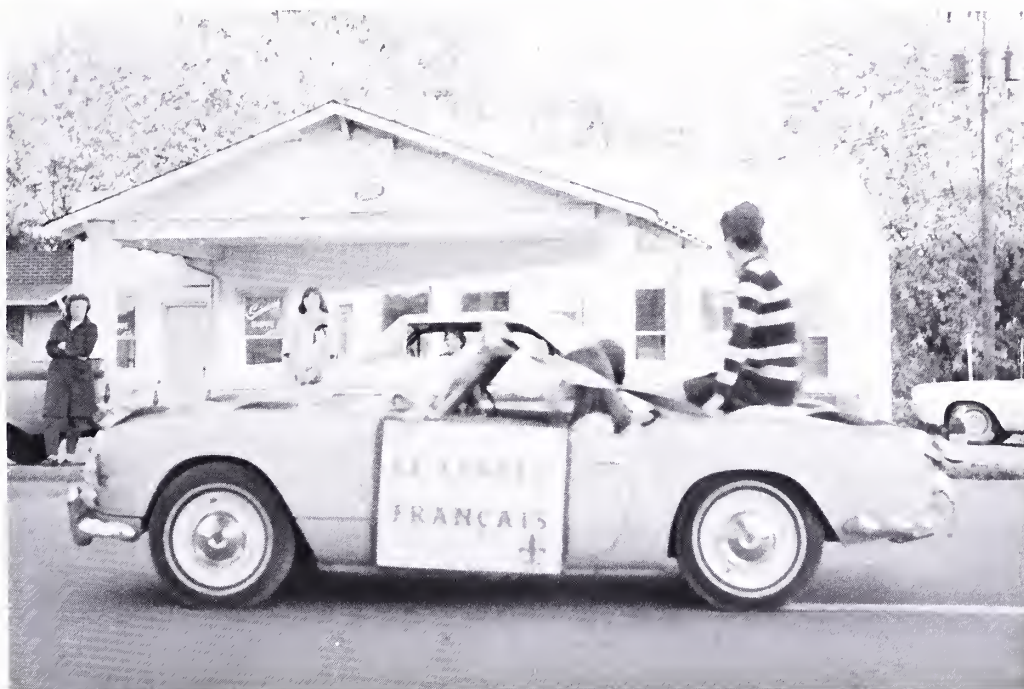

# Subject Clubs Have Interesting Programs

Members of the Science Club sought through its programs to learn more about science in general. The club's main project was to sponsor a Christmas Dance where all ate, danced, and enjoyed themselves.

"Le Cercle Français" was composed of students studying French. Each club meeting was very enjoyable with programs ranging from French fashions to puppet shows and from French marriage customs to Joan of Arc. The club also had a lively blue, white and red-decorated car in the homecoming parade.

## Clubs Encourage Interest In Sports

The Monogram Club, made up of boys who had lettered in a varsity sport, had as its chief project of the year the presentation to the school of banners honoring CHS district basketball champions.

The Girls' Athletic Association tried to inspire more interest and participation in Girls' sports, especially in basketball and volleyball.

Members had a lot of fun at their "jail" on Carnival Day by summoning "delinquents" and collecting "bail" which, of course, was added to their treasury.

# Bus Patrol Promotes Safety

Members of the bus patrol helped to load buses safely and to keep good discipline on them. Whenever it was necessary, patrols flagged traffic and helped bus drivers enforce safety and traffic rules.

# Library Club Helps Students And Librarian

**"Will you find book 920K, please?"** This was a familiar sound to Library Club members who assisted the Librarian and students.

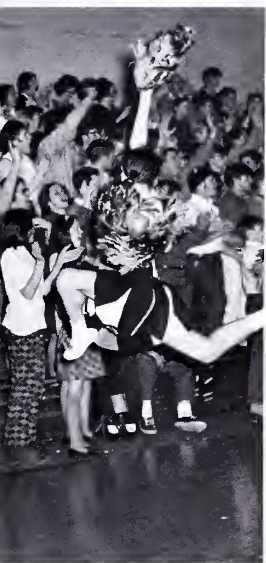

A project to send contestants to "Klassroom Quiz" on WCYB-TV proved worthwhile to the club treasury, as was their fortune-telling booth on Carnival Day.

## Graduation Was A Solemn Occasion

Graduation was a solemn occasion for the eighty-three members of the 1970 Senior Class of CHS. From the moment they donned their caps and gowns, they began to realize that their high school days were drawing to a close. This fact was further impressed upon them as they listened to the Rev. Wilmer B. Robbins, Pastor of the First United Methodist Church of Marion, the Honorable J. Aubrey Matthews, Judge of the Twenty-Third Judicial Circuit of Virginia, and John Beckner, Valedictorian. The final moment arrived as Mr. W. C. Kelly of the Smyth County School Board handed them their diplomas.

## The Junior-Senior Prom Was Fun

"Three Coins In A Fountain" was the theme of the Junior-Senior Prom on May 9, 1970, where the guests had an enjoyable evening — a treasured memory.

# CHS Homecoming Queen Is Crowned

Pretty weather, pretty floats, and pretty girls contributed to successful Homecoming festivities on October 17, 1969. In the colorful parade preceding the football game with Graham High School "G-Men" the Junior Class received first place for its float, "A Smashing Victory." During the game's half-time activities Sandra Casey was crowned Queen by Charlie Clark, Mack Blevins, and Charlie Wilson, tri-captains of the Warrior football team. Each one of the Queen's attendants represented a CHS class. Pictured at left are Patricia Owens, Eighth Grade; Freda Blevins, Sophomore Class; Cathy Smith, Junior Class; Donna Sauls, Senior Class; and Pam Shuler, Freshman Class. Homecoming was indeed a treasured memory.

## Warrior Football Team Rebuilds

The Warrior football team had a rebuilding year in '69-'70. The team ended the season with a record of 2 wins and 8 losses. Even though the young Warriors faced larger, more experienced teams, they upheld CHS tradition and never gave up. By the final games of the season Chilhowie's Warriors showed great improvement and development.

## Warriors Win First Place In County . . .

## ... District And Regional Contests

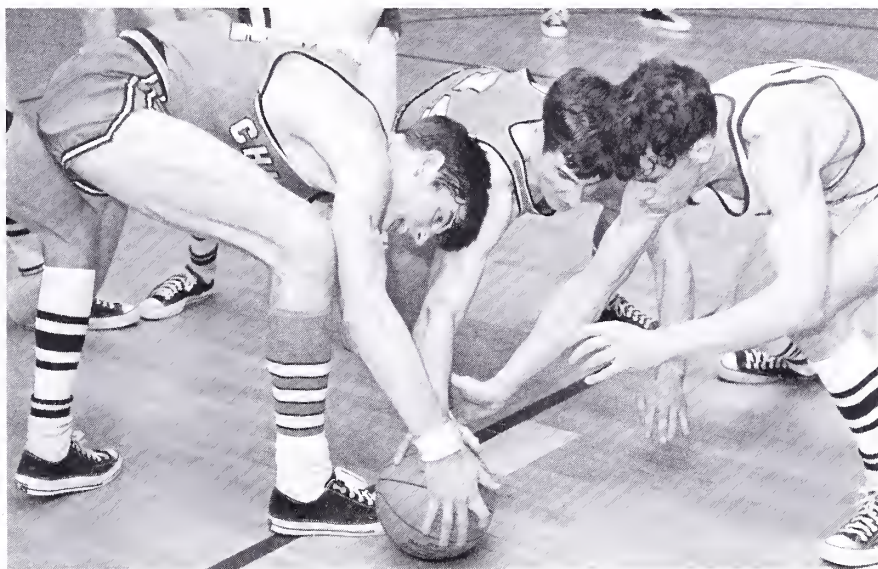

The '69-'70 basketball season was the best in Chilhowie's history. After defeating the Marion Hurricanes in three consecutive games, the Warrior team captured the Smyth County Title for Chilhowie. In the District the CHS Warriors were undefeated and won the District VI Tournament for the third consecutive year. The Warrior team then traveled to Blacksburg, where they received their first and only defeat to a Virginia team. The Warriors ended a fine season with the outstanding record of 21 wins and 3 losses.

## Junior Varsity Has Fine Record

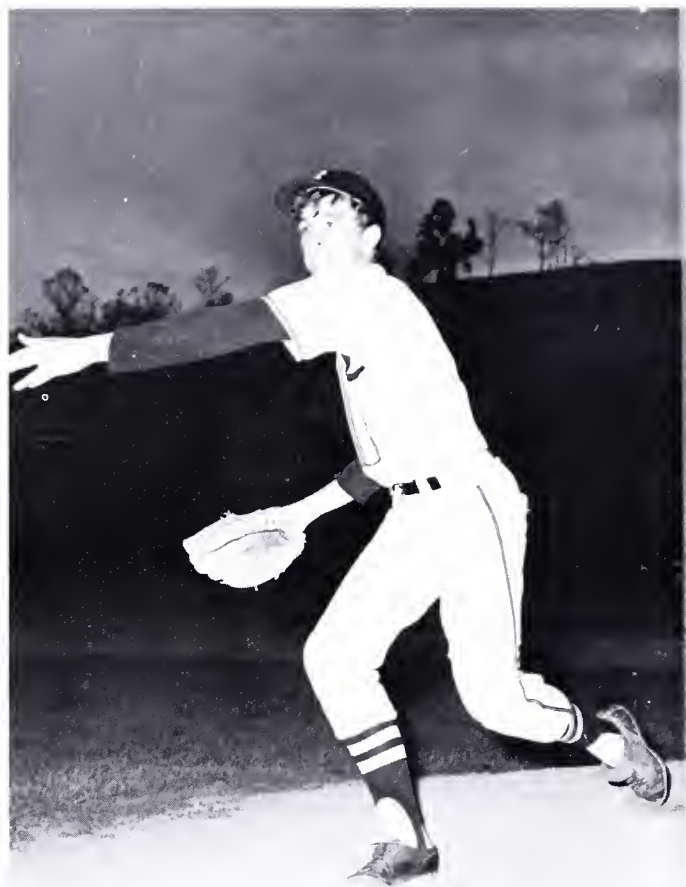

While the Varsity team was building their splendid record, the Warrior Junior Varsity players were doing no less. Chilhowie's J.V. team had one of the best seasons the school had seen in several years. They ended their season with a fine record of thirteen wins and five losses.

# Baseball Team Does Not Give Up

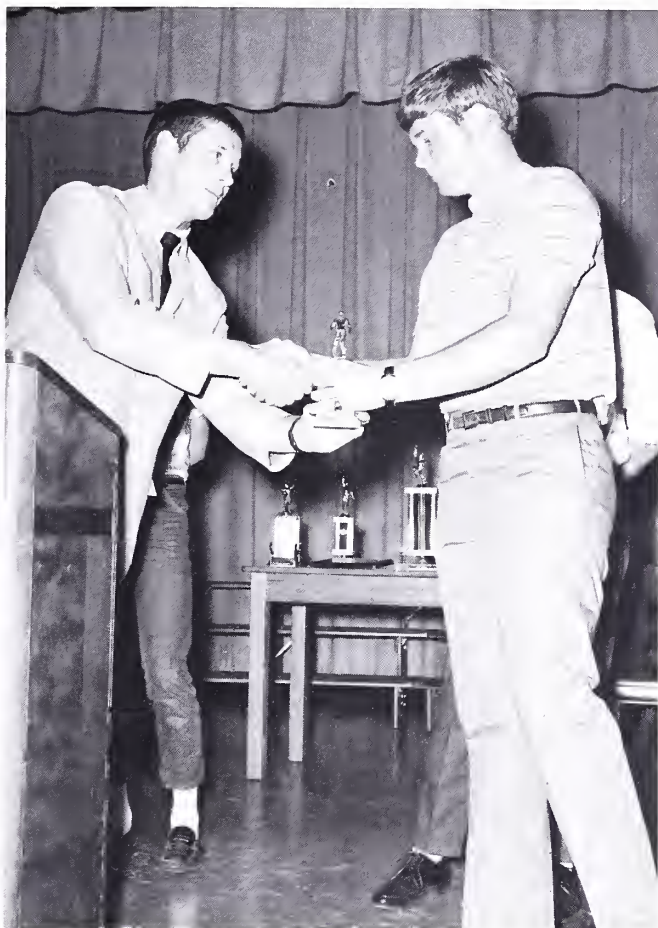

The '69-'70 season was a rebuilding time for the Warrior baseball team. The team was young and inexperienced, but by the end of the season the players showed much improvement. Although the season ended with a record of no wins and twenty-one losses, the Warriors never gave up.

# CHS Wrestler Places Fourth In State

The wrestling team had a 1-8 record, but several CHS grapplers had outstanding records. Charlie Clark was the regional champion of the unlimited weight class and went on to finish fourth in the State finals. Stanley Landis was champion and Dean Adams runner-up in their respective classes in District VI. The JV team all had winning individual records.

# Golf And Track Teams Break Records

The Warrior golf team compiled its best record ever during the '69-'70 season, closing with eight wins, four losses, and one tie. Two team members distinguished themselves during the year. Steve Berry became the first athlete to letter in golf for four consecutive seasons, and David Berry had the best individual record, posting eleven wins and only one loss.

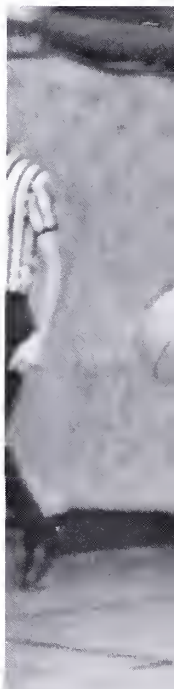

The CHS track team had a good season during which six of its members (Hicks, Palmer, Jones, Crewey, Frye, Donnelly) set new school records, and five boys (Hicks, Gillenwater, O'Brien, Palmer, Jones) represented District VI at Charlottesville. The Warriors took second place in the County meet.

# Girls' Athletic Teams Have Active Year

The Girls' Varsity basketball team, showing determination and stamina, experienced a very successful season with seven wins and five losses under the leadership of Coach Walker. Though the Junior Varsity had a losing season with four wins and eight losses, they provided much support for the Varsity. The Girls' volleyball team, while not having area competitors, played in a tournament in Kingsport and in one at ETSU, where it placed second.

MEDICAL CENTER

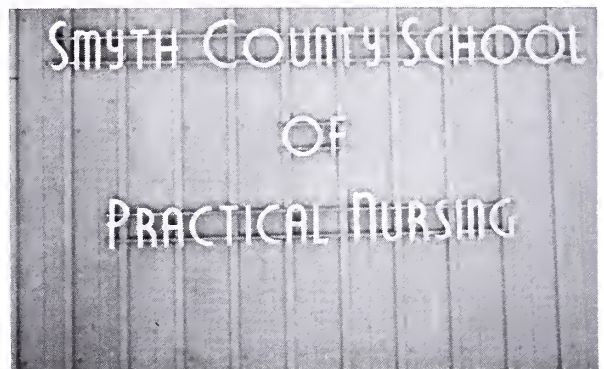

T K MCKEE • SALTVILLE

The Smyth County Community — Medical Center, Marion, Virginia, is indeed proud to be a part of the rapid expansion and growth that has been experienced in the area in the past year. The Ultra Modern Facility located on Park Boulevard in Marion is nearing the completion of the first year of operation at the new location. The Smyth County Community Hospital Medical Center is just a part of the growing medical complex being realized in Smyth County and The Mountain Empire.

Large Enough For Your Banking  
Needs, Small Enough To  
Give You Courteous  
Personal Service

Each depositor insured to \$20,000

We can't all be  
Thomas Edisons, but  
the rewards he and  
other inventive people  
receive — profit and  
honor — can be the  
goals of every trained,  
dedicated graduate
